Keep your aircraft windshields and windows looking and performing like new by experiencing the **Visible Difference** with Lee Aerospace.

POLISHING PACKAGES

Each package includes a complete visual surface evaluation and ultra-sonic thickness check on every window. This service includes mechanical sanding and polishing which will cosmetically remove fine surface scratches, surface defects and even paint overspray, restoring a like-new shine and clarity while removing no more than .003 thickness in material.

PILOT OUTER PACKAGE:

Includes the outer surfaces of the pilot and co-pilot acrylic windshields and side windows.

PILOT INNER PACKAGE:

Includes the inner surfaces of the pilot and co-pilot acrylic windshields and side windows.

PRO PILOT PACKAGE:

Includes the outer and inner surfaces of the pilot and co-pilot acrylic windshields and side windows.

CEO OUTER PACKAGE:

Includes the outer surfaces of all cabin Windows.

THE COMPLETE PACKAGE:

Includes the outer and inner surfaces of the pilot and co-pilot acrylic windshields and side windows, and the outer surfaces of all cabin windows.
