BUYER OFFERS TO PURCHASE THE GOODS AND SERVICES DESCRIBED HEREIN ONLY UPON THE TERMS AND CONDITIONS CONTAINED HEREIN. BUYER RESERVES THE RIGHT TO REVOKE THIS AGREEMENT WITHOUT NOTICE. THIS AGREEMENT SHALL BE DEEMED AGREED TO AND ACCEPTED BY THE SELLER AND BECOME A BINDING CONTRACT ON THE TERMS AND CONDITIONS CONTAINED HEREIN WHEN (A) SIGNED AND RETURNED TO SELLER, OR (B) SELLER ISSUES ITS ORAL OR WRITTEN ACKNOWLEDGMENT, OR (C) SELLER COMMENCES PERFORMANCE, OR (D) SELLER OTHERWISE ACCEPTS THIS AGREEMENT. BY ACCEPTING THIS AGREEMENT, SELLER WAIVES ALL TERMS AND CONDITIONS CONTAINED IN ITS QUOTATION, ACKNOWLEDGMENT, INVOICE, OR OTHER DOCUMENTS WHICH ARE DIFFERENT FROM OR ADDITIONAL TO THOSE CONTAINED HEREIN, AND ALL SUCH DIFFERENT OR ADDITIONAL TERMS AND CONDITIONS SHALL BE NULL AND VOID.

1. Delivery and Performance:

- a. Time is of the essence. Seller shall make deliveries in quantities and at time specified by the Buyer. Buyer shall have the right to refuse shipments made in advance of the delivery schedule set forth in this Agreement. If at any time it appears that Seller will not make such schedule, Seller shall promptly notify the Buyer of the reasons for and estimated duration of the delay.
- b. Seller is expected to deliver goods that comply in all respects to this Agreement every time goods are delivered. Disruptions to Buyer’s normal business operations result in loss of time and productivity as well as adding a layer of administrative burden. As a result of the foregoing, if Buyer agrees to accept deliveries after the date of delivery has passed, Buyer shall have the right to: (i) direct the Seller to

make shipment to the Buyer's delivery dock by the most expeditious means, and the total cost of such expedited shipment and handling shall be borne by the Seller, and (ii) direct to Seller in the form of a purchase credit to Buyer to set off any sums owed to Seller by Buyer, in an amount equal to any and all charges incurred by Buyer as a result of such delay.

- c. Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold the Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of the Seller's obligation to make payments in accordance with the delivery schedules set forth in this Agreement. Buyer shall not be liable for payment of goods delivered to Buyer in excess of quantities specified by Buyer. Buyer may from time to time change delivery schedules or direct the temporary suspension of scheduled shipments.

2. Warranty:

- a. In addition to the warranties provided by law, Seller expressly warrants that all goods and services supplied under this Agreement: (a) shall conform to specifications, drawings, samples or other descriptions furnished by Seller or specified by Buyer; (b) shall be merchantable, of good material and workmanship and free from defects; and (c) shall be fit and sufficient for Buyer's purposes.
- b. Seller warrants further that the prices charged the Buyer hereunder are no higher than prices charged or placed by others for similar quantities under similar conditions, and if Seller breaches this warranty, the prices of the goods and services supplied hereunder shall be reduced accordingly.
- c. Buyer's approval of specifications, drawings, samples and/or other descriptions finished by Seller shall not relieve Seller of its obligations as described in this Section 2 or otherwise under this Agreement. These warranties shall survive any inspection, acceptance or payment by Buyer, and shall be for the benefit of Buyer, its successors, assigns, customers, and the ultimate users of the goods or services supplied hereunder.

3. Title and Risk of Loss:

- a. Title to all goods supplied hereunder shall remain in Seller until delivery and acceptance by Buyer at Buyer's F.O.B. delivery dock. The risk of loss of or damage to the goods shall be upon Seller until they are accepted by the Buyer.

4. Pricing, Invoicing and Payment.

- a. Pricing under this Agreement shall be fixed for a period of 5-years from the date hereof.
- b. Payment terms shall be 2%/10/net 90 days, and all payments shall be made in United States Dollars.
- c. Individual invoices showing the number of this Agreement, part numbers, and Seller's packing list number shall be issued for each shipment, but shall not be issued before the date of shipment. No invoices shall be payable unless goods or services have been received by Buyer.
- d. No interest, finance or services charges shall be payable on the goods/services supplied hereunder. Buyer shall be entitled to a full cash discount on invoices bearing discount terms. Rejections, delay in delivery or delivery in advance of delivery date shall be considered just cause for Buyer withholding payment without loss of cash discount privilege.
- e. Unless otherwise specified on the face of this document, the price of goods supplied under this Agreement shall include all charges for Seller's packing and crating and for transportation to Buyer's delivery dock; the amount of any such charges shall be shown separately on Seller's invoice.
- f. In the event the goods subject to this Agreement have been imported by Seller and such goods were subject to import duty payment paid by Seller, such goods shall be shipped duty free to the Buyer and such cost shall not be made part of the sales price to Buyer.

5. Taxes:

- a. The price of the goods or services supplied hereunder includes all federal, state and local sales, use and similar taxes. The amounts of any such taxes shall be shown separately on Seller's invoice.

6. Setoff:

- a. All claims for money due or to become due from Buyer shall be subject to deduction or set off by the Buyer by reason of any counterclaim arising out of this Agreement or any other transaction with the Seller.

7. Termination:

- a. This Agreement shall remain in full force and effect for a period of 5 years unless otherwise terminated as set forth below in Section 7(b).
- b. This Agreement shall automatically terminate where (i) Seller refuses or fails to comply with any of the provisions hereof, including but not limited to the quality and performance standards set forth herein, which refusal or failure has not been cured within a period of ten (10) days after receipt of written notice of the same from Buyer; or (ii) Seller becomes insolvent, or makes a general assignment for the benefit of its creditors or files or has filed against it a petition in bankruptcy or for reorganization, or pursues any other remedy under any other law relating to the relief of debtors, or in the event a receiver is appointed for Seller's property or business.
- c. Upon termination, and unless otherwise directed by the Buyer, Seller, (a) shall immediately terminate all work under this Agreement; (b) shall transfer title and deliver to Buyer all (i) completed goods, (ii) goods in process, and (iii) materials produced or acquired in connection with such goods, which goods and/or materials conform to the requirements of this Agreement, do not exceed the quantity authorized by Buyer, and cannot otherwise reasonably be used by Seller; and (c) shall take all action necessary to protect goods and materials in Seller's possession in which Buyer has or may require an interest. Buyer shall determine the amount,

if any, due Seller with respect to such termination of this Agreement and such determination shall be final.

8. Inspection:

- a. Seller shall permit inspectors of the Buyer or Buyer's customers (including the United States government) to have access to the Seller's plant at all reasonable times for the purpose of inspecting any goods supplied hereunder or work in process for production of such goods, and to conduct preliminary tests on work in process.
- b. All goods, except goods inspected and accepted by the government, shall be received subject to Buyer's inspection and rejection at Buyer's plant or other places designated by Buyer notwithstanding prior inspections.
- c. Title shall not be deemed transferred on any defective goods or goods otherwise not conforming or fulfilling Seller's warranty (express or implied) with respect to this Agreement (collectively "Defective Goods"), and hence no payment, including freight, shall be due with respect to the same.
- d. Defective Goods shall be held for Seller's inspection and at Seller's risk, and if Seller so directs, shall be returned at Seller's expense, and in addition to Buyer's other rights, Buyer may charge Seller all expenses on unpacking, examining, repacking and reshipping Defective Goods. Nonconforming products shall not be shipped to Buyer without written authorization and Defective Goods shall not be replaced without a new purchase order.
- e. Any payment by Buyer shall not be construed as an acceptance of Defective Goods, and notwithstanding any payment by Buyer, prior test or inspection, or passage of title, Buyer may revoke acceptance where the goods do not fully comply with the provisions of this Agreement. Failure to discover any defect or other nonconformance at the time of delivery will not relieve Seller of any obligations under this Agreement, or impair any rights or remedies of Buyer.

9. Changes:

- a. Buyer shall have the right at all times to make changes to drawings or specifications regarding the goods and services supplied hereunder. Any difference in price or time resulting from such changes shall be equitably adjusted and this Agreement shall be modified in writing accordingly so long as a claim for adjustment has been made in writing by the Seller to the Buyer within thirty (30) days of the date of receipt by Seller of such change.
- b. In the absence of such notice, the Buyer shall not be obligated to consider Seller's claim for an equitable adjustment resulting from such change. Buyer shall have the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim. Nothing in this Section 9 shall excuse Seller from proceeding with this Agreement as changed, including but not limited to failure of Buyer and Seller to agree upon any adjustment to be made under this Section 9. Seller must notify Buyer to receive written authorization of any product changes and/or process changes that Seller requests.

10. Buyer's Materials:

- a. Any materials, including but not limited to tools, molds, dies, gauges, jigs, fixtures and patterns, furnished by Buyer in connection with this Agreement shall be held by Seller as bailee for hire for use only in filling Buyer's orders, be kept separate and clearly identified by Seller as Buyer's property, and shall be fully insured by Seller in an amount equal to the replacement cost thereof with loss to be paid to the Buyer.
- b. Notice of loss or damage shall be provided by Seller to the Buyer within seven (7) calendar days of the occurrence of the loss or damage. All such materials furnished by Buyer which are not consumed in the performance of this Agreement shall be returned to Buyer at Buyer's direction. Seller waives and releases Buyer from, and Seller shall defend, indemnify and hold harmless Buyer from and against all claims of injury or damage to Seller, its employees and/or others, arising out of or in connection with the presence or use of such materials, whether such injury or

damage is caused by defects in such materials, Buyer's negligence or that of its agents or employees, or otherwise.

11. Tooling:

- a. Unless otherwise stated herein, Seller at its own expense shall furnish, keep in good condition, insure and replace as needed all tooling and other materials necessary for the performance of this Agreement.

- a. Except where goods are to be provided from specifications, designs, or processes furnished by the Buyer, Seller shall defend, indemnify and hold harmless Buyer from any loss or damage sustained by, and from and against all claims asserted against Buyer arising from any alleged infringement of any trademark, patent,

copyright or other proprietary right, by reason of the sale or use of goods and/or services supplied hereunder and if any of these goods or services or any part thereof is held to constitute infringement and its use is enjoined, Seller shall at its own expense either procure for Buyer the right to continue to use such goods or services or part thereof or replace them with non-infringing goods or services.

- b. Seller shall defend, indemnify and hold harmless Buyer from and against any claims asserted against it for injuries or damage to property arising in whole or in part from any act or omission of Seller, its agents, servants, employees, representatives or subcontractors with respect to the goods or services supplied hereunder, including those claims arising in whole or in part out of the negligence of Buyer.
- c. Seller waives and releases Buyer from all rights of contribution or indemnity to which it may otherwise be entitled. Used in this Section 13, the term "Buyer" shall mean Buyer, its officers, directors, agents, employees, subcontractors, parent, subsidiaries, divisions and affiliates, successors, assigns, customers and the ultimate users of the goods and services supplied hereunder.

14. Compliance with Laws:

Seller shall furnish Buyer with certificates and other evidence of compliance upon Buyer's request. Seller shall upon delivery of goods supplied hereunder provide Buyer with material safety data
